Re: Richards v. Mass.Dept.of Corrections et;al,  
Civil Action No. 04-cv-10291-RWZ.

Dear Clerk,

As I still do not have an address in which to reach the Justice presiding over this matter, please forward the enclosed correspondence to Justice Zobel so that I may plead my case with her and find out what is going on with this action.

As always I thank you for all of your time and consideration given to my matters, also please advise the justice that I am unable to obtain any photocopies of the enclosed correspondence due to yet another closing of the law library so I will "not" be able to provide a copy to any of the defendants or their counsel. I myself do not have a copy for my own files.

Very Truly Yours,

  
John F. Richards pro-se,

MCI-Shirley (Medium).  
P.O.Box-1218/Harvard Road.
